

TeachUNITED empowers school and district leaders to master the most effective and impactful strategies for supporting sustainable school improvement. We work side-by-side with you to [embed these best teaching and learning practices in your daily work with staff](#) as the leader of change and growth at your school.

Participants in the Leading for Impact program receive access to TeachUNITED's asynchronous online course, one-on-one coaching from an experienced Administrator Coach, and community-building coaching sessions with other program participants. You will have opportunities to learn and practice new strategies, reflect with expert administrators on your growth, and share practical tools for success with your peers.

## SAMPLE LEARNING OUTCOMES

Help teachers develop mindsets for success through your administrative practices.

Learn how to help educators design, implement, and evaluate lessons for engagement and impact.

Understand the common challenges to personalized learning and explore how to build capacity to solve them at the building level.

Conduct classroom evaluation/walkthroughs with TeachUNITED rubrics.

TeachUNITED is a global non-profit dedicated to empowering teachers with supportive coaching, evidence-based strategies, and personalized learning design. Teachers experience transformed teaching and learning and improved student outcomes.
