

MONITORING & EVALUATION SUPPORT

TeachUNITED is committed to serving teachers and students across the globe, and to ensuring that our support has a meaningful impact on student and educator success. From the beginning, we have applied a rigorous monitoring and evaluation process as a key component of our work with partners to demonstrate impact and efficacy.

Our work together is intended to help partners measure the impact of TeachUNITED's training and plan for continued impact assessment in the future.

PROGRAM OVERVIEW

TEACHUNITED PROVIDES:

- Support in the development of a monitoring and evaluation (M&E) plan and recommendations for data collection systems
- Instruments for assessing teacher and student practices, attitudes, knowledge, and beliefs
- Recommendations for student assessments, when appropriate
- Strategies for sharing results with partner schools, districts, and communities

TOGETHER, WE WILL:

- Decide what outcomes matter most to your organization, the schools you work with, and your community
- Plan a data collection schedule that works for you
- Discuss and analyze results
